ColourRail Trade Price List

Why choose Climar Industries?

Dedicated account manager.
Free brochures.
Samples available.
Full-sized displays at POS, by agreement.
Full library of digital assets to promote ranges on your website.

Features & Benefit of ColourRail

Maintenance Free: No painting/staining ever required.
25 year guarantee
100% recyclable materials
Fully bespoke designs available
Professional installation available
Made in Britain

ColourRail Panel Kit

The ColourRail panel kit comes in component form and will need assembling upon delivery.

For more information on how to install a ColourRail panel, please refer to our easy-to-install installation guide. The panel kit includes ColourRail panel, fixing brackets and screws.

For start/end and change of direction runs

In addition to the panel kit you may need to purchase either our in ground or hard standing square posts, if not fitting between brick/concrete pillars.

Delivery Information

All trade deliveries will be drop-shipped either to yourself or your client's site address.

Product Handling

ColourRail has a high gloss finish which requires careful handling prior to installation. Product comes suitable packed for transport, unpacking and handling on site should be done with care.

Available Colours

Standard colours; Brown, Blue, Green, Cream, Anthracite Grey, Basalt Grey, & Black
RAL colours available on request, surcharge applicable.
